DETAILED ACTION

Information Disclosure Statement

The references listed in the Information Disclosure Statement filed on 04/03/06 have been considered by the examiner (see attached PTO-1449 form or PTO/SB/08A and 08B forms).

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance:

Claims 2-9, 12, 37, and 41-47 are allowed.

As to claim 2, 37, Oe discloses a system for controlling access to a platform (Fig. 10 with description, page 15, par. [0362] Security Control Management 19 (SCM) monitors processing of the application software), and run in the platform (OS 201; page 15, par. [0360]), a platform having a software services component and an interface component (page 5, par. [0240]). However, Oe does not specifically disclose providing access to the software services component for enabling application domain software to be installed, loaded; an access controller for controlling access to the software services component by a requesting application domain software via the at least one interface, the access controller comprising: an interception module for receiving a request from the requesting application domain

software to access the software services component; and a decision entity for determining if the request should be granted wherein the decision entity is a security access manager, the security access manager holding access and permission policies; and wherein the requesting application domain software is granted access to the software services component via the at least one interface if the request is granted.

Applicant's dependent claims 3-9, 12, and 41-47 comprise a particular combination of element, which is neither taught or suggested by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
